

Register with CalWARN and be entered in a drawing for \$500!

CalMutuals is working to ensure that 100% of our members are in compliance with Senate Bill 552. SB 552 requires small water suppliers with less than 3,000 service connections to maintain membership in a mutual aid organization by January 1, 2023, among other drought resilience measures. To incentivize participation, each of our members who register with CalWARN (California Water/Wastewater Agency Response Network) will be entered into a drawing for \$500 to use to support your company's needs.

To register with CalWARN:

1. Visit www.calwarn.org
2. Find the blue section on the right side of the screen, titled "Join the CalWARN Mutual Aid & Assistance Program":
3. Review the [Articles of Agreement](#) that have been posted here.
