

Translation Package for Customization of Sample Policy

CalMutuals has an agreement with **Reliable Translations** in Glendale, CA to provide translation assistance for our members and partners who may find it necessary to customize the CalMutuals SB 998 policy or notices.

Reliable Translations will update translations in each of the required languages to incorporate needed revisions. The cost is \$75 per language for up to 250 words and a per word charge after that.

To take advantage of this service:

Step 1: Download the original English version(s) of the CalMutuals document(s) from the CalMutuals website. Using Microsoft Word's tracking function, track any changes you wish to make to the policy or notices.

Step 2: Contact Reliable Translations to formalize an agreement for translation services and share the document(s). **CalMutuals contact at the company is:**
